

UNIVERSIDAD
AUSTRAL

25
AÑOS

MISSION

Universidad Austral **intends to serve society** by pursuing truth, creating and disseminating **knowledge**, educating on **virtues**, and catering to every individual's transcendental destiny, providing intellectual, professional, social and public **leadership**.

2020 VISION

Contributing to the further **development of the people** who are part of Universidad Austral – Universidad Austral's Community- enhancing the University's **contribution to society, both locally and, increasingly, internationally.**

To this end, we intend to:

- A. Further strengthen the **quality** of our **academic offering (personalized teaching, research, and knowledge transfer)**, with a special focus on **innovation.**
- B. Work with an emphasis on **coordinating** and leveraging **synergy and cross-disciplinary** opportunities in both academic undertakings and operation management.
- C. Advance **professionalization** in all **management** areas and process, incorporating the notion of business **sustainability** in all endeavors.

TRANSFER SCHEME

Extension Activities

EDUCATION

- **ADVANCING PUBLIC-PRIVATE EDUCATION IN PILAR**

First local collective training initiative for 300 officials, teachers and inspectors from public and private institutions.

HEALTHCARE

- **FREE CLINIC IN DERQUI'S LOW-INCOME AREA**

Primary healthcare services for individual and collective health improvement at Monterrey neighborhood (Derqui). 1,100 families served. School support for local children.

ECONOMICS

- **ELECTRICAL POWER GENERATOR PROJECT FOR LOW-INCOME AREA**

A electricity power steam generator was designed to reduce energy costs at a low-income neighborhood. Currently, corporate support is sought to launch the project.

FAMILIA

- **EL ROCÍO FAMILY ORIENTATION CENTER (PILAR)**

This is the first family counsel center in Buenos Aires Province. 40 low-income families receive support to manage critical situations or legal conflicts. The center also provides family education and literacy workshops, as well as inter-disciplinary assistance to 20 children with learning disabilities. A job bank offers jobs at the Industrial Park for neighborhood residents.

- **DISCUSSION FORUM ON FAMILY ISSUES**

In 2015, the Buenos Aires City's Council discussed the *Violence in Society* topic, with three representatives from the leading political parties. In 2016, the discussion topic will look at *Senior Citizens from a Social and Political Approach*.

- **SENIOR CITIZENS' INCLUSION**

Mass media campaign carried out with La Nación Newspaper Foundation to promote senior citizens' inclusion in family life and revalued role in society.
